Extra Info

Intro

Keep in mind as you read the Old Testament, the Hebrew Scriptures, this is what Jesus read and taught from. It is a large portion of the Bible and is essential to understanding the New Testament. It is what the New Testament Church studied and tested everything to. As you read, allow God to teach you and reveal truth from His Word. The OT and NT are deeply connected. The OT prophecies much of the NT, and the NT quotes much of the OT.

The Old Testament (OT) accounts for 70% + of the Bible. In general, we spend more time reading in the New Testament (NT). Which is understandable, because Jesus is there! However, sometimes we fail to realize He is in the OT also. Jesus was the Word made flesh; John says He was in the beginning. He is Light, which the Word of God is often called.

As you study the OT, the NT becomes so much more significant and alive because you see the immense need for a Savior, and how Jesus fit the bill perfectly. The gift of the Holy Spirit was so long awaited and longed for; we are INCREDIBLY blessed to live in the days we live in. We have salvation through Jesus and the gift of the Holy Spirit. We have the entire Word of God, yet so much to still look forward to. I hope that your year reading through the entire Word will cause you to fall more in love with Jesus and with the Word of God. We often don't recognize the blessing we live with. We have the Bible at our fingertips. May we recognize and appreciate the treasure we have in the Word of God. Don't forget that people have given their lives so you can own a Bible. The greatest honor we can give them is to READ IT!

Layout

Many Bible reading plans exist. Why not just follow one that already is? I can't give you an exact answer to that, other than God put it on my heart. Obedience would be my only answer. As I go through this plan, I will be creating a study guide with a sister in Christ, Lord willing to see the project through. The project that God gave me had some impact on how this is laid out, each month will be a stand-alone study, as well as a part of the complete study of the Word. As I prepared to layout this plan, I prayed that God would be the one in charge. That His plan would be what would prevail. You will find some months to be heavier on reading, and some a little lighter. Adjust as needed for your life, just don't quit! The readings are broken down into 28-29 days each month. Use the extra day or two to catch up on any reading.

And in this matter I give my judgment: this benefits you, who a year ago started not only to do this work but also to desire to do it.

So now finish doing it as well, so that your readiness in desiring it may be matched by your completing it out of what you have. For if the readiness is there, it is acceptable according to what a person has, not according to what he does not have.

2 Corinthians 8:10-12
