Lamp & Light

Your Word is a lamp unto my feet and a light unto my path.
Psalms 119:105

Hello

Let *all creation* rejoice before the Lord!

Thank you for joining me on this study of seeing God, the Creator, in creation.

This study was heavily inspired by the beauty of Alaska, my home, and the incredible ladies I have met who share their adventures, photos, and time in creation so well.

Beholding the wonders that God has made for us should bring us to a place of worship and awe at all He has made and done.

The Bible is absolutely full of references to creation, and I would like to dig in and study that with you.

This study is 4 weeks long and should take about 15 minutes a day, 5 days a week, to complete. Use the days off to catch up, or to simply get out and enjoy creation! A "Going Deeper" section is provided for each week with some extra study ideas and Scriptures.

God's Word's are more important than mine, so you'll find this study heavy on reading and writing His word.

Unless otherwise noted, I use an ESV Bible both for my personal study, and for the Scriptures quoted in this study.

"Let the heavens rejoice,
let the earth be glad;
let the sea resound, and all that is in it.
Let the fields be jubilant,
and everything in them;
let all the trees of the forest sing for joy.
Let all creation rejoice before the Lord,
for he comes, he comes to judge the earth.
He will judge the world in righteousness
and the peoples in his faithfulness."
Psalms 96:11-13, NIV

We know that God's Word never returns void, so I am confident that your time spent in the Bible will bear good fruit!

About Meghann & Lamp & Light

Who am I and why would you want to listen to me?

Well, the truth is I'm just a nobody, trying to tell everybody all about somebody who saved my soul. And I would much rather tell you about that somebody, so I'll make this quick!

Seriously, I'm a nobody. I have no formal education, but I have been studying God's Word for most of my life and I want to share that with you.

I was raised in a Christian home- and not the kind that checked a box of church on Sunday. The kind where my parents faithfully taught, read, and expounded on God's Word. And probably even better than that, they read and lived it themselves. My dad's Bible time with our family wasn't a passive event. I owe my ability to question, know what I believe, and be able to articulate it to his constant quizzing. My mom allowed me to tag along at Bible studies she hosted in our home and I was exposed to a love for Jesus and the Word.

I went to Christian school for elementary school and hid a whole lot of God's Word in my heart.

And then I went through my teen years.

And I made a whole lot of mistakes and had to learn God's mercy, grace, forgiveness, and pursuit of "ones" who wander away.

Shortly after marrying my husband, (high school sweethearts!) I started a radical return to the Lord. I started to read my Bible for myself in a way I never had before. I had a lot of serious repenting to do too! And, I started to audit and question what I was taught and thought I knew so well. To dig into God's Word and press into Him in a way I never had before. And praise the Lord, I haven't recovered from that!

I've been married to my husband, Chad, for 10 years and we have 3 precious children. We live in Alaska, our daughter has Down Syndrome, and we homeschool.

I don't have a neat degree or tittle from a Christian college or seminary to slap on here. I went to the school of hard knocks and I think I'm still there.

I started Lamp & Light at the very end of 2020 as a Christian business. I am continually blown away by how God continues to use it in ways I never imagined. Think of it a bit as an upside down ministry- business being able to fund and promote the sharing of God's Word and how Jesus changes everything!

If I'm qualified, it is by the grace of God alone!

The God Who Created

Week 1, Day 1

Bible Reading
Hebrews 11:1-3, 6 & Genesis 1

Key Verse

By faith we understand that the universe was created by the word of God, so that what is seen was not made out of things that are visible.

Hebrews 11:3

1. What do we need in order to believe that God is the Creator?

2. What do we learn about God from Genesis 1?

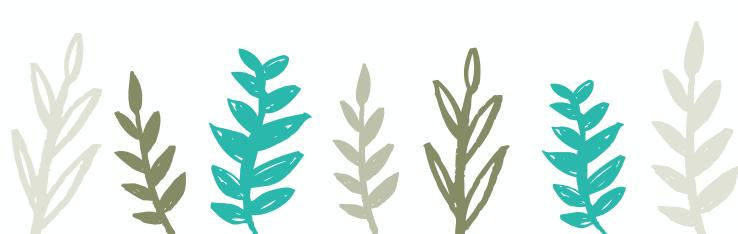

3. Read Genesis 1:31 again. What did God think about his creation?

4. Write today's key verse, Hebrew 11:3

Reaching the summit

Recognizing God as the God of creation takes faith.

We have to believe that God exists and that he rewards those who earnestly seek him. Yet, we also find that creation declares the Creator to us. Out of that, we should overflow with praise to God! We aren't the first ones to find beauty in creation. Repeatedly throughout Genesis 1 God declares creation "good". At the end of His time creating, He says that what He made is "very good"!

A note...

The "Dwell" section is designed to take you beyond just knowing the truth. It is to encourage you to worship God in spirit and in truth as this verse says.

"God is spirit, and those who worship him must worship in spirit and truth." John 4:24

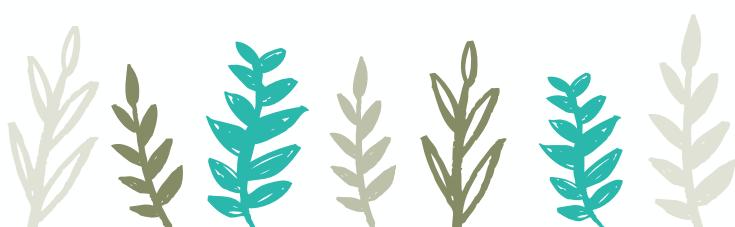

My hope and prayer is that as you work through these questions the truth of God's Word will become deeply imbedded in who you are and that the Holy Spirit will guide you.

The God Who Created

Week 1, Day 2

Bible Reading

Genesis 1

Key Verse

And God saw everything that he had made, and behold, it was very good. And there was evening and there was morning, the sixth day.

Genesis 1:31

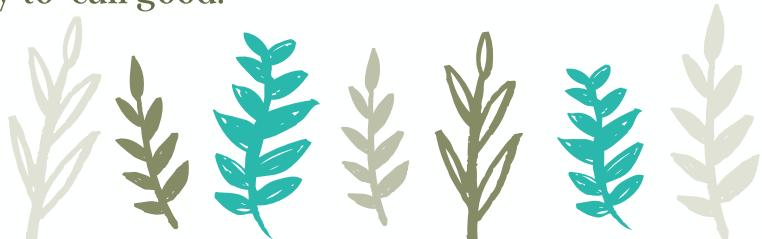

1. Eleven times God speaks something into existence in Genesis. Observe these and pick a few to list.

2. Three times the words "God created" are used in Genesis 1. Find them and list what he created.

3. Write today's key verse, Genesis 1:31

Reaching the summit

Consider the difference between speaking and creating. God is able to speak things into existence, but He is also a Creator. Going to the Hebrew that the Old Testament was written in, we see a clear difference. One of the words for create is "bârâ'" and it literally means to "create, shape, or form" something, not just to speak it into being. As you go about your day, look around you and remember that God said what He created was good. Intentionally pick out things today to call good!

The God Who Created Week 1, Day 3

Bible Reading

Psalms 90

Key Verse

Before the mountains were born or You gave birth to the earth and the world, even from everlasting to everlasting, You are God.

Psalms 90:2

1. What does Psalm 90:12 tell us to do and why?

2. What do men return to? Think back to Genesis. What was man formed from?

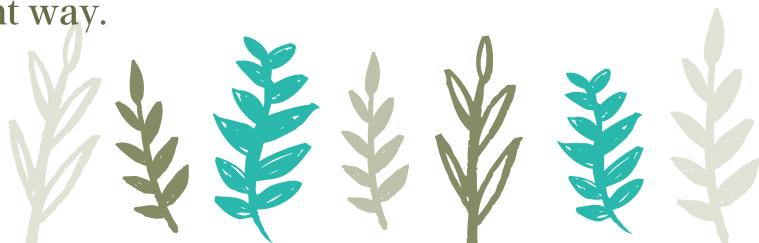

3. What does the Psalmist ask of God in the last verse of chapter 90?

4. Write today's key verse, 90:2

Reaching the summit

Psalms 90:2 talks about before God had "formed" or "brought forth" the earth. The Hebrew word is "chûl" and the definition is so interesting! Part of the definition is "to twist, whirl, dance". What an awesome thought in light of our knowledge of the earth spinning. Before God set the world to spinning, He was and He is to everlasting! Revelation 1:8 says, "I am the Alpha and the Omega," says the Lord God, "who is and who was and who is to come, the Almighty." God was always and still is. He didn't set things in motion and cease. Look for His hand at work in your day and thank Him for creating our world to spin in just the right way.

Week 1, Day 4

Bible Reading

Psalm 95:1-7

Psalm 96

Key Verse

Oh come, let us worship and bow down;
let us kneel before the Lord, our Maker!
Psalms 95:6

1. What do these Psalms have in common?

2. In Psalms 95:5 we again see the use of different words to describe what God did when he made the earth. List both descriptions.

3. Psalms 96:11-12 contain some very descriptive images of creation praising. List them here (there are five).

4. Write today's key verse, 95:6

Reaching the summit

Take a moment to be in awe of our great God! He is greatly to be praised. We can rejoice before Him, be in awe of Him, and live to serve Him. In the second half of these Psalms we see God isn't just the Creator of the heavens and the earth, but also the Judge. That should cause us to have a healthy fear of the LORD. We should recognize God as all powerful and know that we will answer to Him for how we behave as a part of His creation. Live in reverence of God and be willing to passionately praise Him as we see in Psalms!

The God Who Created Week 1, Day 5

Bible Reading

Romans 1:19-20

Psalms 46 & 47, Psalms 50:1-15

Key Verse

For his invisible attributes, namely, his eternal power and divine nature, have been clearly perceived, ever since the creation of the world, in the things that have been made.

So they are without excuse.

Romans 1:20

1. If we experience a natural "event" in creation, such as an earthquake or other natural disaster, why should we not fear? (Psalm 46:1-3)
-

2. What is God called in Psalm 47:2?
-

3. What is the purpose of calling upon God? (Psalm 50:15)
-

4. Write today's key verse, Romans 1:20
-
-

God did not create the world and leave it on its own. Not only does creation declare God to us, God takes part in creation and still rules over it. He didn't create and abandon, and he is able to intervene in the order of the earth at anytime he sees fit, even to the extent of disrupting the natural order of creation. He made the sun to stand still (Joshua 10), the sun to move backwards instead of forwards (Isaiah 38:8), and the earth to have no rain (James 5:17). And this doesn't even touch on the plagues that God sent upon Egypt, and the times He made a path of dry land in the midst of a sea and rivers!

Creation Praises Week 2, Day 1

Bible Reading

Psalm 97

Psalm 98

Key Verse

Make a joyful noise to the Lord, all the earth;
break forth into joyous song and sing praises!

Psalm 98:4

1. Because the LORD reigns the earth: (Psalms 97:1)

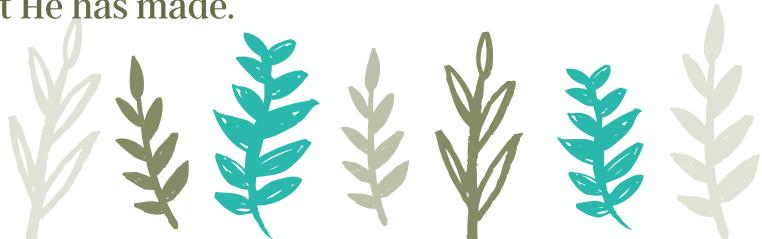

2. Psalm 97 shows the contrast between gods and the One True God who we serve. List these.

3. List the descriptions of praise to God through nature and people found in Psalm 98:7-8.

4. Write today's key verse, Psalm 98:4

Reaching the summit

The book of Psalms is full of descriptive language of nature and praise to God! We know that creation itself brings praise to God. In all of creation, only you and I get to choose rather we will worship the Creator of the heavens and the earth. We are invited to make a joyful noise to the LORD with all the earth. We can praise with our voice or instruments as Psalm 98 expounds. God has created us to be a part of the beautiful outpouring of praise to Him! The heavens declare the righteousness of God and we all see His glory through what He has made.

Romans 1:18-32
Deuteronomy 4:1-40
Key Verse

Claiming to be wise, they became fools, and exchanged the glory of the immortal God for images resembling mortal man and birds and animals and creeping things.

Romans 1:22-23

1. What does Romans 1:20 say has been clearly perceived?

2. Romans 1:25 says the Truth of God that was exchanged for a lie. What is this?

3. Focus in on Deuteronomy 4:19. What is the "beware" instruction?
-
-

4. Write today's key verse, Romans 1:22-23
-
-

Reaching the summit 

There seems to be this persistent temptation both in the ancient world of the Bible and in our world today to worship creation instead of the Creator. We know that all of creation is subject to God. We can enjoy creation. We can overflow with praise to God because of His creation, but we must never, ever worship or try to take wisdom from what was created. Part of worshiping God is making certain that we are worshiping Him in the way that He intended. He carefully instructed His people to make sure they weren't learning ways to worship from the nations around them. We must still be so careful today that we are not mixing our worship of the One True God with practices we learn from ungodly people around us.

Acts 17:22-33

Key Verse

The God who made the world and everything in it, being Lord of heaven and earth, does not live in temples made by man, nor is he served by human hands, as though he needed anything, since he himself gives to all mankind life and breath and everything.

Acts 17:24-25

1. What does Acts 17:23 say the people of Athens were worshiping?

2. Think back on Romans 1:20, what connections do you see?

3. Today's reading is an excellent declaration of the gospel! What important elements are present here for sharing the gospel?

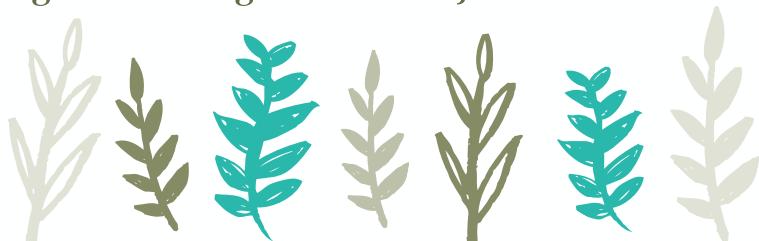

4. Write today's key verse, Acts 17:24-25

Reaching the summit

Declaring God as the only One worthy of worship can be intimidating! Paul does an incredible job declaring God to a people who were not worshiping Him with understanding. Pray today that God will give you the courage to share the Creator of the heavens and the earth. Courage to declare the full gospel of repentance and salvation that comes only through Jesus Christ our risen Lord. God desires all people everywhere to repent and place our trust in Jesus, the righteous.

Proclaim the kingdom of God with all boldness and may nothing hinder you from believing and sharing the truth of Jesus Christ!

1. Where does Luke 19 take place?

2. What will declare praise to Jesus if we don't?

3. What is described as declaring God's glory in Psalms 19?

4. Write today's key verse, Luke 19:38-40

Key Verses

For he commanded and they were created.
Let them praise the name of the Lord, for his
name alone is exalted; his majesty is above
earth and heaven.

Psalm 148:5, 13

1. List the 3 places Psalm 148 says to praise from/in.

2. How many parts of creation can you find listed as praising in Psalm 148?

3. List the 8 groups of people mentioned as praising.

4. Write today's key verse, Psalm 148:5, 13

Reaching the summit

This is the **EVERYTHING** and **EVERYONE** praise the **LORD** Psalm! Some versions of the Bible end Psalm 148 with "Hallelujah!" ESV ends with, "Praise the **LORD!**" The Hebrew word for 'praise' is "hâlal". Add the name of God, yud-hey-vav-hey (יהוָה), which ESV translates **LORD**, to this Hebrew word for praise and you get our word translated to English hallelujah!

Hallelujah!

Praise the **LORD!**

It doesn't matter which you use, just make sure you're praising the Creator!

3. Read the last two verses again. Sum them up in your own words.

We often think of these key verses as applying to kids and babies. And they do! But, they also apply to you and I. YOU are an extraordinary part of God's creation. You are made with the choice to worship, to praise, and live for the Creator. Before you were even born, He knew you. He has plans for you and He wants to have a unique relationship with you. He sent his Son to die for you. You have access to heaven and to right relationship with Him.

We see God's beautiful design of genders and the plan that He had for humans. In wisdom have you made them all;
the earth is full of your creatures.

Psalm 104:24

1. Sum up verses 27-30

2. Why did God create the moon and the sun?

3. Who causes things to grow on the earth and why? (v.14-15)

4. Write today's key verse, Psalm 104:24.

Reaching the summit

This Psalm shows such a beautiful order of the way God created the earth and His role in interacting with it! "When you send forth your Spirit they are created, and you renew the face of the ground." (v.30)

At the end of this Psalm we see again that reflecting on what God has created, and the order He has ordained for the earth, results in pouring out praise to Him. When we truly understand God's role in our life and our world, we can't help but to worship the one who made it all. The one who keeps it all, the one who gives us breath in our lungs. As long as we have life, may we use it to praise the God who created us!

Bible Reading Colossians 1 Key Verse

He is the image of the invisible God, the firstborn of all creation. For by him all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things were created through him and for him.

Colossians 1:15-16

4. Write today's key verse, Colossians 1:15-16

Beyond recognizing that we were created by God and that God is our provider and sustainer, most of us want purpose. We want an active part in knowing our reason for existing. And often times when we don't have a clear understanding of that, we find purpose and identity apart from God, which can never truly satisfy. Today's reading and study time is intentionally focused on this. Beyond what you read today, please spend time thinking and asking God to bring other Scriptures to your mind that will give you a clear purpose and plan. Think on the different parts of the body of Christ and what God may be calling you to. Resolve to become an active part of God's Kingdom come on this earth as it is in Heaven. Hebrews 4

Key Verse

And no creature is hidden from his sight, but all are naked and exposed to the eyes of him to whom we must give account. Since then we have a great high priest who has passed through the heavens, Jesus, the Son of God, let us hold fast our confession.

Hebrews 4:13-14

1. What do we see mentioned at the time of creation and again in Hebrews 4?

2. What does Hebrews 4 say about the word of God?

3. Write today's key verse, Hebrews 4:13-14

Reaching the summit

The goal this week is for you to be equipped to live your faith out in the world that God has created! I hope you know and believe the God who created the world. And know that you have been created with a purpose, on purpose. The point of knowing these things is that you will be able to go and live this out in the world. To share with boldness and confidence the Creator and the gospel. We don't have to be afraid. We have a firm foundation on the Word of God. The truth is on our side. Only head knowledge and acknowledgement is not enough. The book of James says that faith without works is dead. The shift in this study for the last week is intentional. The goal isn't for you to just KNOW that God created the heavens and the earth, but to KNOW what to do with that!

He is the one who was, who is, and who is to come.

He is making all things new!

Psalm 102:25-28, Psalm 103

Key Verse

As a father has compassion on his children, so the Lord has compassion on those who fear him; for he knows how we are formed, he remembers that we are dust.

Psalm 103:13-14

1. Look at Psalm 102:25-26 and Psalm 103:15-17. What do we learn from these?

2. Reading Psalm 103, we see God's mercy and grace was at work. Note a few of the verses that discuss this.

3. Write today's key verse, Psalm 103 13-14

Reaching the summit

Accepting the mercy and grace of our Creator for our short comings is a huge part of taking faithful, obedient action. We must recognize that we have a need of forgiveness for when we miss the mark (sin). Knowing this doesn't mean that we cease trying to obey! Read Psalm 103:17-18 again. We must live in creation fearing our Creator and remembering to do His commandments. It will be good for us and bring us renewed joy when we do this! How can you live and share this truth?

2 Corinthians 4:7-18, 2 Corinthians 5 Key Verse

Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here! All this is from God, who reconciled us to himself through Christ and gave us the ministry of reconciliation: that God was reconciling the world to himself in Christ, not counting people's sins against them. And he has committed to us the message of reconciliation.

2 Corinthians 5:17-18

Reaching the summit

New creation! Through Jesus, we have the opportunity to be different. To be confident that if our earthly bodies are weakened or destroyed, we have hope in Christ. We are a new creation in Jesus. This means that not only did God create the heavens and the earth, He is able to create all things new! He knew that creation was subject to futility (Romans 8:20) and He made a plan of redemption. Our job once we become a new creation? Implore others to join us!

Key Verse

And Jesus came and said to them, “All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.”
Matthew 28:18-20

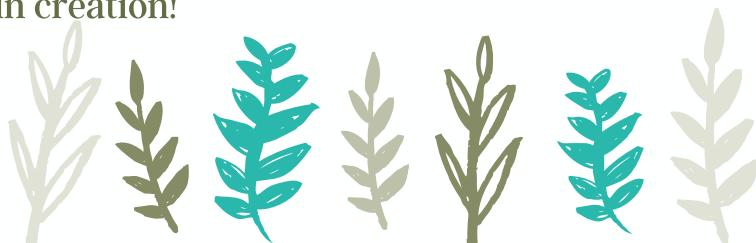

1. What do we learn from Hebrews 1:10-12?

3. What actions are instructed in Matthew 28:18-20?

4. Write today's key verse, Matthew 28:18-20

Reaching the summit

When we know and believe God and His Word we are fully convinced that as beautiful as He has made the earth, as good as it is to dwell on it and enjoy our lives, this is temporary. We have something BETTER to look forward to. I hope this makes you excited to live out your time in creation striving to fulfil what Jesus commanded at the end of His time on this earth. I pray that you feel equipped to go out into creation and share the Creator! Strive to find greater purpose in every adventure by making the most of your opportunities to share Christ in creation!

Weekly "Going Deeper" sections

If you're interested in investing more time into this study, some additional study ideas are included for each week. Use these for the weekends, or disperse throughout the week if you want to dig further into the Word than what is provided day to day.

Scripture Memory

Top choice! Hiding God's Word in our heart is SO important. It is our lamp and light, it is sweet to our souls like honey to our lips, it is alive and active. And it is our only offensive weapon listed in the armor of God! When Jesus was tempted in the wilderness, He responded to Satan with "It is written". Jesus, the Word made flesh to dwell among us, used the written Word to go on the offense against Satan's temptation. Be passionate about hiding God's Word in your heart so that you won't sin against Him.

Week 1

- There are several different Hebrew words used throughout Genesis and Psalms to describe actions that God took when creating the earth. They are similar, yet different. Using a website like studlight.org look up these Strong's numbers in Hebrew: #6213, #3335, #1254
- Compare Psalm 98:7-9 and Psalm 96:11-12
- God created the earth in 6 days and on the 7th day he rested. The idea of Sabbath rest starts at creation and God is the first one to practice it. Spend some time looking through Scriptures about Sabbath. It's one of the 10 commandments, Jesus did it and He says that it was made for us. It is called a blessing and a delight. It was given for refreshment. Consider resting on the 7th day, not because we have to for salvation, but because it is something God did at creation and blessed us with.

Week 2

- Do you feel that your life pours out praise to God as a part of His creation?
- Does worshipping God come easily to you?
- What are some ways you can praise God more than you currently do?
- Contrast the wisdom of the world with the wisdom from God's Word when it comes to creation. Spend sometime preparing yourself to be able to explain this. Keep these verses in mind.

"But even if you should suffer for righteousness' sake, you will be blessed. Have no fear of them, nor be troubled, but in your hearts honor Christ the Lord as holy, always being prepared to make a defense to anyone who asks you for a reason for the hope that is in you; yet do it with gentleness and respect, having a good conscience, so that, when you are slandered, those who revile your good behavior in Christ may be put to shame."

I Peter 3:14-16

Week 3

What does it mean to be created as a helper? When Genesis talks about God creating Eve to be Adam's helper, what exactly does it mean? Among all of the rest of creation, no creature was found that was the right fit for Adam. Yet God said it wasn't good for man to be alone. And so God created Eve to be a suitable helper for Adam. The word in Hebrew for helper is "êzer". The first two times this word is used is in Genesis 2 and both are to describe the helper needed for Adam. However, after Genesis, we often see this word used to describe God. Here are some references to look up to get an idea.

Exodus 18:4

Deuteronomy 33:26

Psalm 33:20, 70:5, 115:9-11, 121:1-2

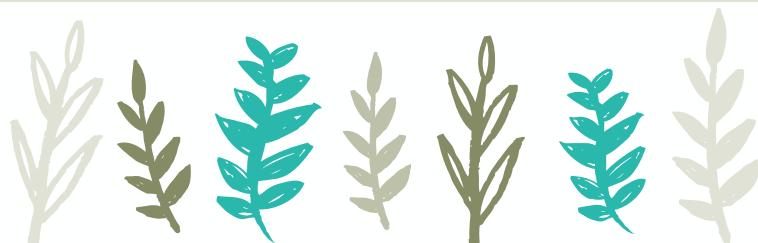

Hosea 13:9

Week 4

Throughout the Bible there are many examples of Jesus' power over creation and parables about the kingdom of Heaven and sharing the gospel through elements of creation. Look these up for further study.

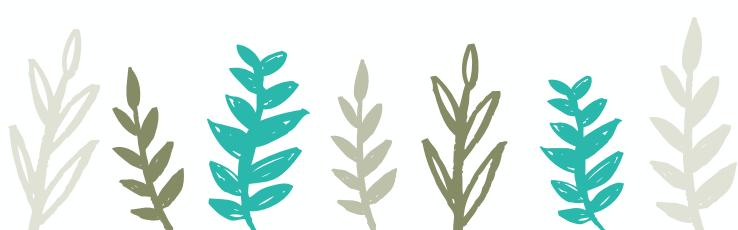

- I will make you fishers of men (Matthew 4:18-22)
- The harvest is ready (Matthew 9:35-38)
- The parable of the sower + mustard seed + weeds (Matthew 13)
- Jesus calms the storm (Matthew 8:23-27)
- The separating of the good fish/bad fish (Matthew 13:47-50)
- The wheat and the tares (Matthew 13:24-30)
- Let down your nets (Luke 5:1-10)
- Water to wine (John 2:1-11)
- The sun stands still (Joshua 10:12-14)
- The sun moves backward (Isaiah 38:1-8)

Lamp & Light

Your Word is a lamp unto my feet and a light unto my path.
Psalms 119:105

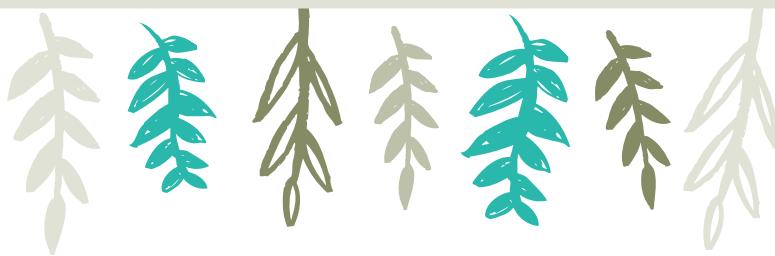

**Heaven and earth
will pass away, but
my words will not
pass away.**

MATTHEW 24:35

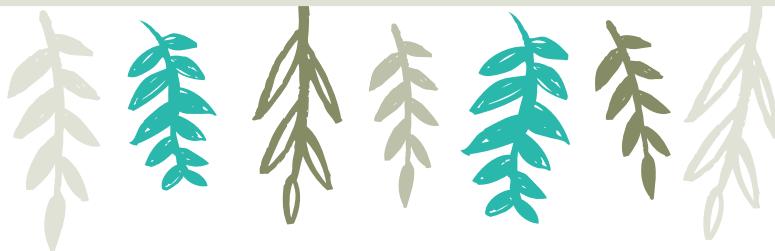

Memory Verses

Pick one or more of these to work on memorizing over the course of this study.

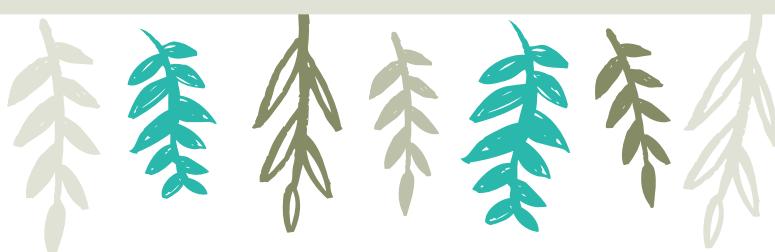

By faith we understand that the universe
was created by the word of God,
so that what is seen was not made
out of things that are visible.

Hebrews 11:3

He is the image of the invisible God, the firstborn of
all creation. For by him all things were created, in
heaven and on earth, visible and invisible, whether
thrones or dominions or rulers or authorities—all
things were created through him and for him.

Colossians 1:15-16

Let them praise the name of the Lord!
For he commanded and they were created.
Let them praise the name of the Lord, for his
name alone is exalted; his majesty is above
earth and heaven.

Psalm 148:5, 13

Let the heavens
rejoice,
let the earth be glad;
let the sea resound,
and all that is in it.
Let the fields be
jubilant,
and everything
in them;
let all the trees of the
forest sing for joy.
Let

all creation

rejoice before
the Lord,
for he comes, he
comes to judge the
earth.
He will judge the
world in
righteousness
and the peoples in his
faithfulness.
Psalms 96:11-13
